RUST SOLVENT

Product: Highly effective rust solvent.

Properties: RUST SOLVENT removes rust from, fiberglass, plastic and painted metal surfaces.

Usage: Use undiluted or diluted with water as needed. It is recommendable to dilute RUST SOLVENT if the rusted surfaces are sensitive. Smear or spray RUST SOLVENT on the desired area and wait a moment before rinsing with plenty of water. Do not let the solvent dry.

Dosage: Use undiluted or diluted with water as needed.

Storage: Store in tightly closed original container. Keep in a non-freezing place. Store securely and keep out of the reach of children.

Warning: Corrosion hazard. Avoid contact with materials that contains chlorine, poisonous gas may be generated. Keep the product away from nylon and galvanized steel.

Safety: Please find information about handling and disposal in the Safety Data Sheet.

The Safety Data Sheet can be accessed here: **www.kemilux.com**
